THE CORPORATE PRO BONO CHALLENGE® STATEMENT

As Chief Legal Officers, we recognize the critical importance of pro bono service as a cornerstone of our professional identity and accept the unique role that we can play in promoting pro bono in our legal departments. As leaders, we understand that the legal and business interests of our clients are furthered when access to the legal system is readily available to resolve disputes.

In recognition of our commitment and as signatories to this Corporate Pro Bono Challenge® statement, we will encourage and promote pro bono service by our legal department staff and use our best efforts to encourage our staffs, including at least one-half of our legal staff, to support and participate, as appropriate, in pro bono service.

To underscore the importance of promoting pro bono service, we will encourage the outside law firms with whom we work to acknowledge publicly their support for pro bono by becoming signatories to Pro Bono Institute's Law Firm Pro Bono Challenge®.
